Mr. Kennedy Schmertz
Director of Foreign Currency Program
Smithsonian Institution
Washington, D. C. 20560

Dear Kennedy:

Enclosed are the photographs of the silver bars I was mentioning to you. They weigh approximately 65 to 75 pounds each. They are from the 1656 wreck of the Nuestra Senora de las Maravilla. We will be auctioning these bars in May and I was anxious that the Smithsonian became aware of them.

Sincerely,

Jack W. Kelley
